9/10: Homeowners Fail To Take Advantage of Government Refinance Plan

Last spring, the US government launched a housing relief program, designed to help 7-9 million homeowners, but so far only 85,000 homeowners have used the program to refinance.

Many homeowners mistakenly think they are not eligible. If you are a homeowner and you haven't looked into refinancing recently, you may be surprised at how much you can save.

A preview of the locally produced movie "Annabelle & Bear" screens at 8 p.m. Saturday at Detroit's Music Hall Center for Performing Arts. The film features a totally Michigan cast, crew and soundtrack; more than 4,000 residents responded to initial casting and crewing opportunities. The band Nervous But Excited, with its song "Said and Done," makes a cameo in the film. "Annabelle & Bear" tells the story of a man who finds himself thrust into fatherhood and the unexpected journey that leads him to discover the life-altering love found in the heart of his little girl. Curt Massof and Olivia Lorraine Walby, 3, have the lead roles. Saturday's preview benefits Starfish Family Services, a Detroit-area, nonprofit organization that focuses on strengthening families to "create brighter futures for children." Tickets are \$15 and include an afterglow reception at the Music Hall in downtown Detroit. For details, call (313) 887-8501 or visit www.annabelleandbear.com.
